OUTSIDE

The property is situated on a large corner plot having an impressive frontage, set back from the road and screened behind picket fencing. The front garden is principally laid to lawn with a large central stone driveway offering ample car parking, ample room to the side of the property for a garage or extension (subject to planning permission). A wrought iron gate and stoned pathway leads down the side of the property to the side and rear garden which is enclosed by panel fencing and a brick retaining wall. The side garden is hard landscaped in slabs and slate chippings, attached to the rear of the house is a brick built garden store. The rear garden has a full width stone patio adjacent to the rear of the property edged by railway sleepers, beyond which the garden is principally laid to lawn, outside tap and lighting.
