Offers In The Region Of £220,000

Immaculately presented and thoughtfully arranged, this appealing semi detached home centres around a stylish open plan kitchen and living space that naturally draws you through the property. Light flows in from the garden through patio doors, creating a calm and sociable environment. Outside, the garden offers clear potential to shape and enhance over time, while the presence of a garage and dedicated parking adds a practical layer that is often sought but not always found.

An inviting hallway leads into a comfortable lounge, where double doors open into the kitchen and dining area, allowing the spaces to work together or independently as needed. The connection to the garden is immediate and seamless, encouraging indoor and outdoor living through the warmer months. Upstairs, the landing leads to three bedrooms along with a neatly presented family bathroom, offering flexibility for growing households, guests or those working from home.

The surrounding area provides a convenient and well connected setting. Nearby green spaces offer opportunities for walking and time outdoors, while a selection of local schools serve the area well. Everyday amenities, cafés and shops can be found within easy reach, with wider town facilities just a short drive away. Transport links are straightforward, providing access to surrounding areas and beyond for commuting or leisure.

This is a home that combines presentation, practicality and potential in equal measure, well suited to families, professionals, downsizers and those seeking a move that supports both lifestyle and convenience.
