From its elevated position this elegant home enjoys a gentle outlook towards the sea, a glimpse of the coastline that brings a sense of calm to the main bedroom and sets the tone for the rest of the property. Designed for easy living and generous in proportion, it extends to around 1,393 square feet with a natural flow between spaces and an inviting atmosphere throughout.

The ground floor is arranged for everyday comfort. A welcoming hallway leads to a bright lounge and dining area that opens directly into the kitchen, creating a sociable setting for family life or relaxed entertaining. The conservatory draws in light and connects the interior with the garden beyond, while a separate utility room and cloakroom add practicality. The integral garage provides valuable storage or scope for further use, subject to preference.

Upstairs, the layout is equally considered. The main bedroom captures sea glimpses towards the bay, a subtle reminder of the home's coastal setting. A second double bedroom sits quietly to the rear, overlooking the garden, and the third bedroom is currently arranged as a dressing room with a walk-in wardrobe, ideal for those who value a sense of order and calm. A contemporary shower room completes this floor.

Outside, the garden has been designed for enjoyment with minimal upkeep. To the front there is parking for one car, bordered by gravel and established shrubs. The rear garden offers a peaceful setting with a paved seating area for outdoor dining, leading to a lawn surrounded by trees and flowering borders. A detached shed provides additional storage for gardening or leisure equipment.

The location brings together the best of coastal and village living. West Cross sits between the vibrant heart of Mumbles and the open spaces of the Gower Peninsula, offering excellent local amenities including independent cafés, everyday shops and well-regarded schools. The seafront promenade is moments away, linking Swansea Bay to Mumbles Pier.
