Rose Cottage Port Eynon, Swansea, SA3 1NL

£550,000

Set within the coastal village of Port Eynon, Rose Cottage enjoys a setting shaped by sea air, open countryside and a close knit community. The village is known for its sweeping bay and sandy beach, with coastal paths that trace the Gower Peninsula and invite long walks in every season. A handful of cafés and local amenities lend a gentle rhythm to daily life, while Swansea itself remains within easy reach for wider shopping, schooling and transport connections.

This detached thatched cottage offers a rare sense of heritage, its character immediately evident in the texture of its elevations and the warmth within. Extending to approximately 1135 square feet, the accommodation is thoughtfully arranged. A welcoming porch leads into a generous lounge and dining room where traditional features and natural light combine to create a comfortable and sociable space. The kitchen sits to the rear, practical and well placed, with a separate utility room providing additional convenience.

Upstairs, two well proportioned double bedrooms are accompanied by a family bathroom, with the principal bedroom benefitting from its own en suite. Each room reflects the cottage's enduring charm while offering a calm and restful atmosphere.

Outside, the grounds have been carefully shaped to complement both the setting and the home itself. To the front, a private driveway provides parking for several vehicles, alongside a garden with a feature pond and an established mix of flowers, trees and shrubs. The rear garden unfolds in layers, beginning with a gravelled area and leading to a lawn bordered by mature planting. A raised decked terrace offers a natural place for outdoor dining and quiet moments, enclosed by walling and fencing to create a sense of privacy.
