Positioned to make the most of its elevated outlook, this beautifully renovated apartment is offered with no onward chain and delivers an exceptional combination of space, finish and coastal drama. Extending to 826 square feet, the accommodation has been carefully reworked to create a refined and comfortable home where the focus is firmly on light, views and everyday ease.

The kitchen and living room forms a striking central space, framed by breathtaking sea views that stretch across Swansea Bay, with Oystermouth Castle providing a historic and ever changing focal point. These views are equally enjoyed from the second bedroom, creating a rare sense of connection to the landscape from multiple rooms. The kitchen sits naturally within the living area, finished to a high standard and designed for both practical use and relaxed entertaining. The shower room continues the contemporary feel, while both bedrooms are well proportioned and calmly presented, offering flexibility for guests, working from home or quieter retreat.

Outside, the setting enhances the appeal still further. The seafront is moments away, inviting morning walks along the promenade or evenings spent watching the light change across the water. Mumbles village is close at hand, known for its independent cafés, restaurants and local shops, as well as the charm of Oystermouth Castle and nearby coastal paths.
