Set within an impressive plot of around 0.17 acres, this elegant semi-detached home enjoys a generous sense of space both inside and out. The property includes an extensive garden with outline planning permission for a three bedroomed detached property. (Note the fence constructed that dissects the garden into two areas does not represent where the boundaries would need to be if the garden was divided to pursue the new build). With a floor area of approximately 1,398 square feet and the advantage of no onward chain, this is a home of substance and potential in one of Southgate's most desirable settings.

The ground floor unfolds through a welcoming hallway into a light and comfortable lounge, a dining room ideal for gatherings, and a well-planned kitchen overlooking the garden. A shower room and integral garage complete the ground floor accommodation. Upstairs, there are four bedrooms including a principal suite with its own en-suite shower room, alongside a family bathroom. The property benefits from an integral garage, which also accommodates the gas central heating boiler.

The property is approached by a private driveway with parking for two vehicles and a neatly kept lawned garden. A side path leads to the rear, where a patio provides space for outdoor dining and quiet relaxation, opening to a lawn bordered by mature shrubs and seasonal planting. The setting feels private and established, inviting year-round enjoyment.

Southgate is a cherished Gower village known for its natural beauty and strong sense of community. From the house, coastal walks begin just moments away, leading to the dramatic cliffs and beaches of Pwll Du and Three Cliffs Bay. The nearby village green, café and local shop create a sociable hub, while excellent schooling and the wider amenities of Mumbles and Swansea are within easy reach.
