10 Grange Road, West Cross, Swansea, SA3 5ES

£950,000

Set within an established coastal setting overlooking Swansea Bay, this substantial detached home sits within easy reach of Mumbles, its shoreline, independent cafés and everyday amenities, alongside the wider natural beauty of the Gower Peninsula. Coastal walks, beaches and countryside are all close at hand, while the surrounding community offers a strong sense of place and convenience.

Occupying a generous plot of approximately 0.39 acres and extending to around 4,300 square feet, the property is arranged over three floors and offers a highly versatile layout suited to modern family living. From the side of the home, far reaching sea views stretch towards Mumbles Pier and the lighthouse, providing a striking and ever changing outlook that anchors the house to its coastal position.

The ground floor introduces a series of well proportioned reception spaces alongside practical rooms, creating a natural flow for both day to day living and entertaining. Above, the first floor continues the sense of scale with additional living areas and bedrooms, while the top floor is dedicated to the principal suite, complete with en suite and dressing area, offering a private and peaceful retreat.

Externally, the gardens are a defining feature. Lawned areas wrap around the property, enhancing privacy and openness, while a paved seating terrace to the rear provides space for outdoor dining. Detached outbuildings and a summer house add further flexibility, and steps lead down to a secluded woodland area, introducing a rare sense of depth and natural character to the grounds.

A home of notable presence, combining generous proportions, adaptable accommodation and a highly desirable coastal setting close to the amenities and lifestyle of Mumbles.
