Life here is shaped by the sea and the easy pace of a well loved coastal village. Cafés, local shops and everyday amenities are close at hand, with the promenade and beaches just a short walk away. Coastal paths follow the curve of the bay, offering space to walk, pause and enjoy the changing light across the water. Parks, good schools and reliable transport links add to the appeal, making this a practical as well as attractive place to live.

The house itself is a well arranged two bedroom terrace with a clear and comfortable layout. The entrance hall leads through to a lounge that feels settled and welcoming, a room suited to quiet evenings or relaxed weekends. To the rear, the dining room provides a natural space for everyday meals and entertaining, with the kitchen positioned beyond and arranged for straightforward use.

Upstairs, there are two double bedrooms, both well proportioned, along with a family bathroom. The layout is simple and effective, offering a home that is easy to live in and easy to maintain. The property is offered for sale with no onward chain, allowing for a smooth and uncomplicated purchase.

This is a home that supports a coastal lifestyle without fuss. Morning walks by the sea, afternoons in independent cafés and evenings close to home all come together naturally here.
