James Mill Way, Wolverhampton, WV2

£1,295 PCM

The James Mill Way development takes its name from its former location as a James Mills metal forming and rolling mill. Now the site offers a beautiful mixture of 2, 3 and 4 bedroom homes to rent.

The Dee is a beautiful four bedroom modern home, built over two levels. Downstairs there is a large living room, WC and hallway leading to the rear of the property where you will find a stunning kitchen/dining area equipped with integrated kitchen appliances and contemporary units. The kitchen/dining area also benefits from French windows which take you into your own private rear garden.

Upstairs you will find a family sized bathroom including a stylish white bathroom suite and four bedrooms – two doubles and two singles. The master bedroom benefits from built-in wardrobes and an en-suite bathroom fitted with its own shower and cubicle.

Situated just 0.5 miles away from Wolverhampton City Centre, you will have everything you need at your fingertips with a Sainsbury's, Lidl and Iceland under a mile away, plus over 600 shops, bars, cafes and restaurants in the city centre. Shopping fanatics will also feel right at home with both Mitre Retail Park and Bilston Retail Park located just 0.5km from your doorstep!

The site is also only 10 miles away from Birmingham's vibrant city centre, which can be easily accessed by the M6 which is 4 miles from the development, or the local train station. Wolverhampton train station additionally offers direct services to Manchester and Liverpool.

With a heavy focus on regenerating the Wolverhampton area in recent years, many families and young professionals are choosing this as a place to call home. This is encouraged by the excellent standard of schools that are available in close proximity to our development.
