

## Victoria Mill, Lower Vickers Street, Manchester

£900 PCM

Video Tour Available - It's not often you can live in a Grade II\* listed building - but with this Victoria Mill flat in Miles Platting, now is your chance.

Perched next to the Rochdale Canal and at the centre of a district that was once the beating, spinning, smoking heart of Manchester's industrial revolution, Victoria Mill is a proud emblem for the city's hard-working history.

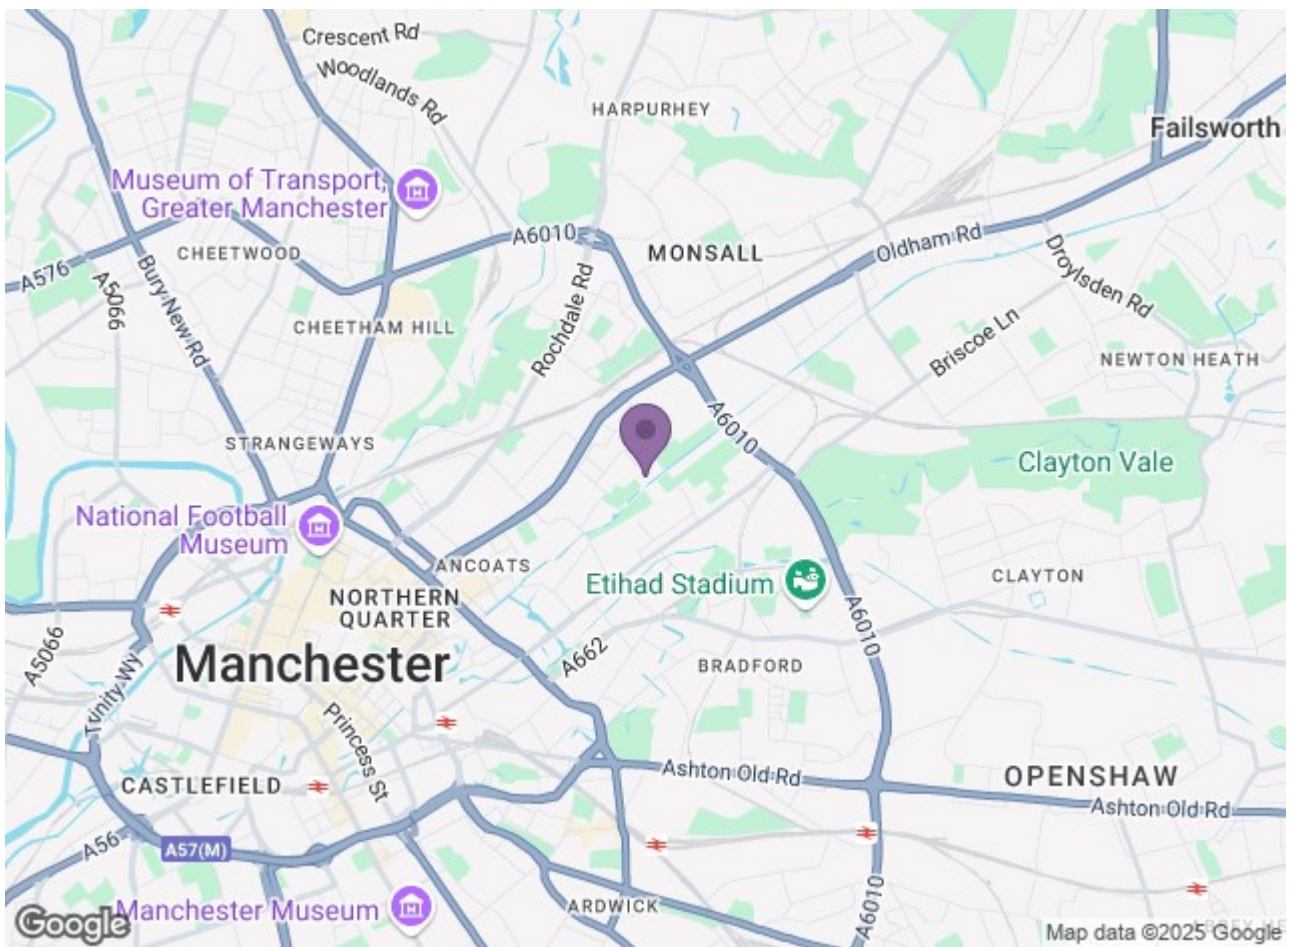

The building has been restored to retain the charm of its old identity, while making it as comfortable as possible for modern city living. The stairwell curling up through the chimney makes for a grand entrance and the flat itself has been built to high standards; carpeted throughout, with sizable, fully-furnished rooms, and windows that give you plenty of Manchester's grey skies and sunshine. Plus, there are parks aplenty around the Mill and the Northern Quarter is just a canal walk away.
