## Description

O'Malley Property are pleased to present this 2 bedroom first floor apartment to the rental market.

Situated in the former mill building located to the west of the village, Weavers Way is an ideal location for local amenities and transport links to all of Central Scotland's main towns and cities. The property will be attractive to either single professionals or couples alike.

In this well appointed property, the lounge provides a comfortable space for relaxing after a long day at work as well as ample space for free-standing furniture.

The fully equipped kitchen has both floor and wall cabinetry with built in hob, oven and cooker hood, an ideal space for food preparation, with complimentary worktops enhancing the look of this area.

There are two double bedrooms available, which are fully furnished, offering great spaces for relaxation and sleep.

The bathroom within the property has a roll-top bath with overhead shower, W.C and wash hand basin.

The property is fully double glazed and has electric heating throughout.

There is an off road dedicated parking space available to the left of the property.
