**£625,000**

Entering the property market for the first time since 1978, this impressive four bedroom period residence is seeking its next custodian.

When the current owners of this magnificent Georgian home took residency, they got to work converting the property back to a single family home from its previous form- three self contained apartments! This gives prospective buyers some concept of the scale of accommodation on offer.

The property is oozing with traditional character throughout- from Minton tiled flooring and marble fireplaces through to double height windows and ceilings. To the ground floor you will find an impressive entrance hall, three spacious reception rooms, a WC, additional shower room, spacious utility room, kitchen diner, a double garage and a two-room cellar.

To the first floor; an impressive split landing offering access to four double bedrooms with en-suite to one bedroom, family bathroom with shower and Jacuzzi bath and impressive views reaching Cleint and beyond.

No expense has been spared in the meticulous upkeep of this imposing residence. Where traditional features have been retained, useful contemporary features have been added, including full photo voltaic solar panels to the roof. An early viewing is extremely strongly recommended to truly appreciate the size and standard of home on offer.

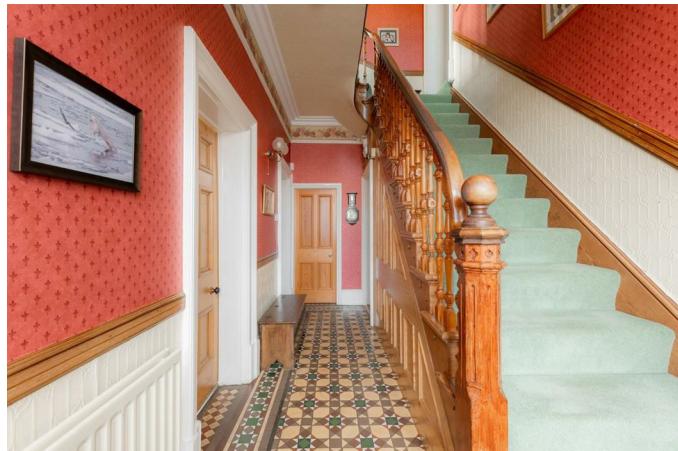

Contact RE/MAX Prime Estates to avoid missing this once in a lifetime opportunity!
