- Two Reception Rooms
- Short Walk To High Street

56A New Road Wootton Bassett, SN4 7DQ

£460,000

A substantial and individually designed five double bedroom detached family home offering in excess of 2,000 sq ft of versatile accommodation, ideally positioned within easy walking distance of Royal Wootton Bassett's bustling High Street and offered to the market with no onward chain.

Occupying a corner plot, this spacious home provides well-balanced accommodation throughout, beginning with an impressive and welcoming reception hallway which immediately creates a wonderful sense of space. The ground floor continues with a generous dual aspect living room, separate dining room, a well-proportioned kitchen/breakfast room and cloakroom, making it an ideal home for growing families or those who simply appreciate generous living space.

To the first floor are five genuine double bedrooms, a spacious family bathroom, an en-suite shower room serving the principal bedroom and a further en-suite cloakroom to bedroom two, providing excellent flexibility for larger families or visiting guests.

Externally, the property benefits from a

double width driveway leading to an integral double garage. The generous open-plan front garden is predominantly laid to lawn, offering excellent scope for landscaping or enclosing to create a substantial private garden if desired (subject to any necessary permissions), whilst a pedestrian pathway provides convenient access around to the rear of the property.

Whilst the property benefits from a manageable outside space, New Road playing fields opposite provide an outstanding extension to family living, offering plenty of space for children to play and explore on your doorstep whilst remaining just a short stroll from the town's excellent range of shops, cafés, schools and everyday amenities.

Detached homes offering over 2,000 sq ft of accommodation, five double bedrooms and three bathrooms at this price point are rarely available, representing exceptional value for money at approximately £225 per sq ft. An internal viewing is highly recommended to fully appreciate both the size and potential this home has to offer.
