£355,000

Situated on the ever-popular Woodshaw development in Royal Wootton Bassett, this well-adapted three-bedroom home enjoys a tucked-away position at the end of a cul-de-sac, siding onto a permanent green with an adjoining play park, creating a particularly pleasant outlook and setting.

The property has been thoughtfully altered to enhance its living space, with the former garage converted to form the main kitchen and a conservatory added to the rear of the living room. The accommodation begins with an entrance hallway featuring stairs rising to the first-floor landing and a useful ground floor cloakroom. The dual-aspect living room is a generous and inviting space, flowing through to the conservatory which overlooks the garden and green beyond. The original kitchen now serves as a practical breakfast and utility room, while the converted

garage provides a well-proportioned kitchen, ideal for modern family living.

To the first floor, the landing leads to three bedrooms and a family shower room. Bedroom one benefits from the added convenience of its own shower cubicle, complementing the main shower room and adding flexibility for family or guest use.

Occupying a corner plot, the property enjoys low-maintenance side and rear gardens, along with driveway parking to the front. Further benefits include uPVC double glazing and gas radiator central heating. This is a well-located home offering adaptable accommodation, ideal for those seeking a pleasant outlook and a popular residential setting.
