Offers in excess of £350,000

Located on Underwood Road, Bishopstoke, I am delighted to present this extended four-bedroom family home, ideally suited to a growing family. The property offers well-planned and versatile accommodation comprising an entrance hallway with stairs rising to the first floor, leading into an open-plan lounge area that flows seamlessly into the dining area overlooking the rear garden. From here, there is direct access to bedroom three and the downstairs bathroom, offering flexible living arrangements. To the front of the property, the open-plan kitchen/breakfast room provides an excellent family space and benefits from access to both the utility room and the rear garden. Upon the first floor, you will find two well-proportioned double bedrooms, a family bathroom, and access to a loft room, which is ideal for use as a home office, study, or workspace. Externally, the rear garden is predominantly laid to patio, offering a low-maintenance outdoor space with rear access.
