THE GARAGE

Located to the rear of St Mary's House, close to thriving Commercial Road and ever busy town centre, a freehold garage, positioned in a block of three. The garage is of concrete block construction, with a flat roof and has been refitted with a new up-and-over door; the garage previously benefitted from separately metered power which has been previously connected, with external water tap to the right of the up-and-over door. Utilities will need to be investigated as to their provider, should prospective purchasers require light, power or water. The current owners have enjoyed the use of these utilities during their ownership.

TENURE

Freehold.
