

Wilson Grove, SE16 4PJ

A three-bedroom family home and garden, part of the Salter Conservation Area, set in a quiet tree lined residential location, within close walking distance of the River Thames and Bermondsey underground station.

This house illustrates smart design and careful attention to detail, making the most of every space at all floor levels.

From the entrance hall, the ground floor reveals a large modern kitchen, generous reception room, a naturally bright garden/dining room, access to the private garden, and a guest washroom. The garden, with hard and soft planted areas as well as storage facilities, is accessible from Wilson Grove.

The first floor has two double bedrooms and one single bedroom, two with built in storage. There is also a well-kept family bathroom with walk in shower. From the first-floor stair landing there is access to a converted loft which provides additional storage and space for a home office.

The house has excellent transport links and is near plenty of local amenities such as supermarkets, independent cafes, restaurants and bars, local markets, and the riverside Thames path, Kings Stairs Gardens and Southwark Park. This property is perfect for those who would like a tranquil retreat in a peaceful location with a strong sense of community, without sacrificing access to the city.
