- Flexible Accommodation Suitable For Multi Generation Families

Mulburries are very excited to present this rarely available, stunning six bedroom villa onto the market in Boxmoor area.

Covering just shy of 1900 square feet internally, this property is an absolute must see. On approach, this multi level villa immediately stands out, and has a huge kerb appeal, and that feeling continues as you enter the property. This is a home for property lovers, buyers who love character and quirkiness and life in a home, and this has it in abundance. From a spiral staircase, to multiple juliet balconies overlooking a garden

to the rear that resembles The Secret Garden.

Comprising of entrance hallway; study to the left, reception room, country cottage style kitchen, that leads onto the garden, a utility area, three piece bathroom with bathtub, rear reception room with garden access and ground floor double bedroom and further three piece bathroom to the ground floor.. The first floor has three double bedrooms, two of which with Juliet balconies overlooking the green views to the rear and one with an en suite and then via either a staircase to one part of the second floor and a spiral one to a second part, you have two further double bedrooms, the one via the staircase a gorgeous split level bedroom with a mezzanine, a w.c and a balcony and the second via the spiral staircase another double room with a further shower room on the level too.

The garden to the rear has a magical feel, a patio area being the closest to the house has an idyllic seating area within it, and that leads to a large decking area, which in itself overlooks the remainder of the picturesque green and flowerful garden. There is even an additional surprise at the bottom of the garden.
