Plymouth

Plymouth is a city on the south coast of Devon, about 37 miles south-west of Exeter and 190 miles west-south-west of London, between the mouths of the rivers Plym to the east and Tamar to the west where they join Plymouth Sound to form the boundary with Cornwall, it is also adjacent to one of the most natural harbours in the world. To the North is the Dartmoor National Park extending to over 300 square miles and which provides excellent recreational facilities. The city is home to more than 260,000 people, making it the 30th most populated city in the United Kingdom and the second-largest city in the South West, after Bristol and has a full range of shopping, educational and sporting facilities. There is mainline train service to London (Paddington) and to Penzance in West Cornwall. Plymouth is governed locally by Plymouth City Council and is represented nationally by three MPs. Plymouth's economy remains strongly influenced by shipbuilding and seafaring including ferry links to Brittany and Spain, but has tended toward a university economy since the early 2000's. It has the largest operational naval base in Western Europe – HMNB Devonport.

North Prospect

North Prospect is a modern estate characterized by a large scale regeneration of the old housing stock, replacing them with contemporary and energy efficient homes. Still undergoing regeneration, the area now benefits from a community hub named Beacon Community Hub, which includes a shop, library (which is run by Plymouth City Council), North Prospect's Sure Start nursery, office space and flats. It also hosts North Prospect Community Choir which launched in November 2016. The hub was completed and opened in early 2014. The overall redevelopment scheme has provided local residents with affordable private homes which buyers were able to take advantage of the government's Help to Buy scheme. A number of the new homes were also made available to Plymouth Community Homes tenants. The scheme and design has been selected for numerous awards including the RICS 'Regeneration project of The Year (South West & Wales) Award 2013'. The are benefits from being very central and provides easy access to schools, amenities and transport links, making it an ideal place to raise a family.
