FULHAM AREA GUIDE

Central Fulham North

This row of tree-lined streets, is home to a mix of family houses and ranks top of the list for sought-after Fulham locations.

There's a wide range of property here, from the beautiful semi-detached 'villas' on the East side of Lilyville Road, to the flats at the Northern end of Rostrevor Road and Radipole Road. In general the houses are slightly larger than those in Parsons Green (with the exception of the Lion houses in the Peterborough Estate) and can reach up to 3000 sq ft with basement.

Fulham Road itself is the focus of the action – with its independent cafes, restaurants and bus routes – but Parsons Green is also very nearby. Centrally located, large houses on tree-lined streets. Many have potential for extension into the basement with the added benefit of being close to Parsons Green station.
