FULHAM AREA GUIDE

North Fulham

You get more space for your money in this triangular patch of roads than pretty much anywhere else in Fulham. The Eastern edge of the area (East of Rylston Road) is dominated by a large council estate which is now becoming popular with buy-to-let Landlords (if they can get their hands on the properties).

The roads off North End Road (Haldane to Shorrols) are now very popular and increasingly achieving top prices, being very close to Fulham Broadway and having been over looked by most buyers who were concentrating their search in Munster Village and Parsons Green.

Mirabel Road consists of a mixture of houses, maisonettes and flats. Parallel to it, Fabian and Hartismere are also both popular for houses and flats, but still trade at lower prices than more in-demand streets closer to central Fulham.

Why buy? Value for money, potential for capital gain if you're shrewd, proximity to Fulham Broadway and West Brompton.
