A beautifully designed and finished 'Lion House', situated in the heart of the Peterborough Estate, arguably the most prestigious location in Fulham. The property has been renovated to a very high standard throughout, with a bespoke Italian Compex kitchen looking out on to a bright southwest facing rear garden. Located on the first floor the master suite is situated at the front of the house, with ample built in storage and a generous ensuite bathroom. There are five further bedrooms over the first and second floor, serviced by three bathrooms. The property has an excellent balance between living and entertaining space, with a good-sized front reception room and access to a central staircase leading down to a fabulous family room, kitchen/utility room, and bedroom with ensuite bathroom. There's also the added benefit of separate access to the lower ground floor/bedroom via a staircase at the front of the property. The owners have put far more consideration than normal into the house, adding concrete to provide a much more solid insulation meaning the cost to run the house is lower than one would expect. Not only does this help retain heat, it also assists in keeping the house cooler in the warmer months.

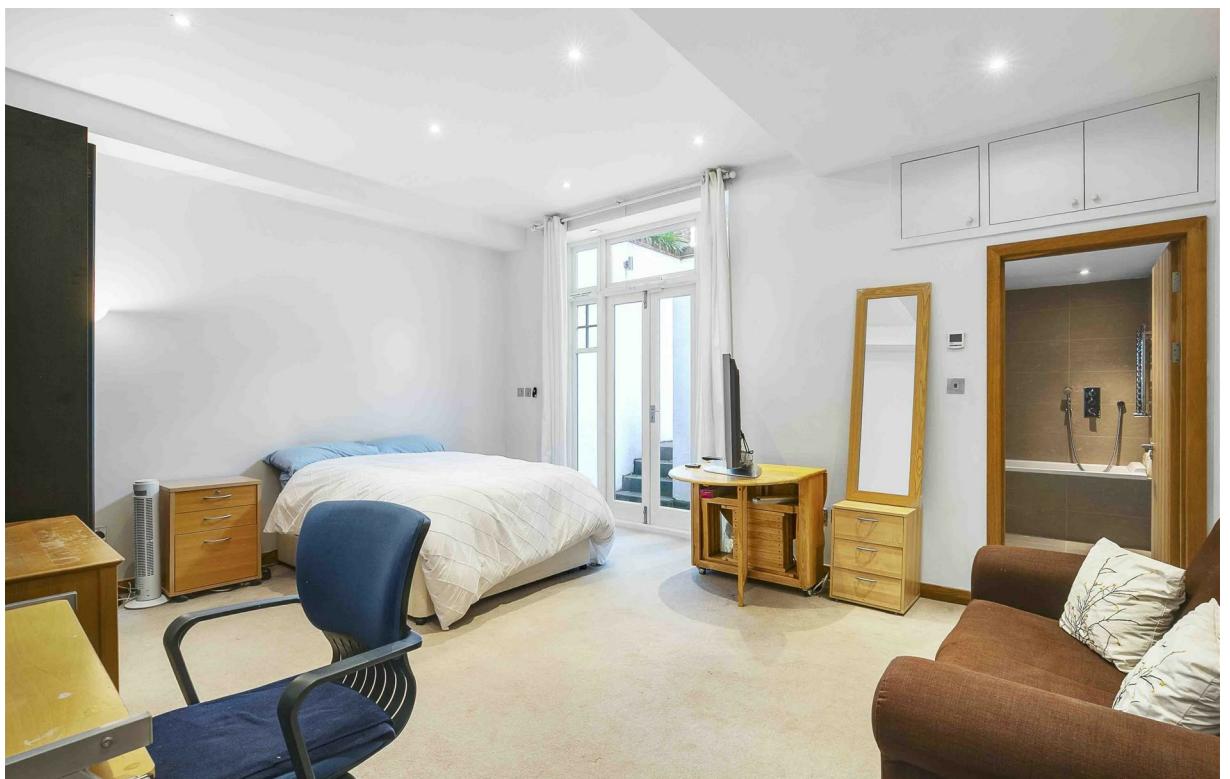

Chipstead Street, arguably the most desirable of the roads within the Peterborough Estate, favoured for being a pretty tree lined residential road offers a variety of local shops, cafes and restaurants within Parsons Green and along the New Kings Road. The nearest underground station is in Parsons Green itself (District Line, Zone 2). Energy rating c

- 7 bedrooms
- 2 reception rooms
