FULHAM AREA GUIDE

Parsons Green

“Parsons Green” is located right in the heart of Fulham, and refers to the area immediately adjacent to and encircling Parsons Green itself. It has become very much an up-market brand in itself - distinct from Fulham - and normally comes top of the list for people looking to buy.

The roads surrounding the area are lined with pretty Victorian terraced houses (and in some cases flats) and are some of the most desirable and in demand properties Fulham has to offer. The Peterborough Estate, sitting just to the South of the Green, holds some of the most expensive properties in Fulham and has no doubt powered the area into the most recognisably up-market area of Fulham. Indeed (with only a few exceptions) the closer you get to Parsons Green the more you'll be expected to pay.

One of the many reasons Parsons Green is so popular are its brilliant transport links. It has its own underground station (Parsons Green, District Line Zone 2) just North of the green itself.
