An outstanding fully extended four bedroom Victorian family home, located only moments from the Fulham road.

Extending to just under 1,800 sq ft and arranged over three floors, this stunning freehold house has been recently refurbished to an exceptional standard throughout. The accommodation on the ground floor comprises a large double reception room which is flooded with natural light, a separate WC and a wonderful Neptune kitchen to the rear of the house, with an island and plenty of space for dining. Large double Crittall doors open out onto a pretty private garden. The first floor has two double bedrooms, a separate study (which could be used as 5th bedroom, if required) and a modern family bathroom. The second floor has an impressive principal bedroom with ample storage and a large en-suite bathroom, as well as a further bedroom. These properties feel much more spacious than some of the other Victorian houses across Fulham (especially on the upper floors) because they naturally have three stories so there is no compromise on ceiling heights.

Bishop's Road really is a fantastic location, within walking distance to both Parsons Green and Fulham Broadway underground stations (both District Line, Zone 2) and very close to Fulham Road where there are a plethora of restaurants and independent cafe's. There is a Waitrose supermarket at both Parsons Green and Fulham Broadway, and a recently added Marks and Spencer supermarket in Fulham Broadway. You can also catch buses on the Fulham Road that head towards Chelsea and central London. EPC rating - D

FULHAM AREA GUIDE

Central Fulham North

This row of tree-lined streets, is home to a mix of family houses and ranks top of the list for sought-after Fulham locations.

There’s a wide range of property here, from the beautiful semi-detached ‘villas’ on the East side of Lilyville Road, to the flats at the Northern end of Rostrevor Road and Radipole Road. In general the houses are slightly larger than those in Parsons Green (with the exception of the Lion houses in the Peterborough Estate) and can reach up to 3000 sq ft with basement.

Fulham Road itself is the focus of the action – with its independent cafes, restaurants and bus routes – but Parsons Green is also very nearby. Centrally located, large houses on tree-lined streets. Many have potential for extension into the basement with the added benefit of being close to Parsons Green station.
