 Nestled in the charming cul-de-sac of Cheltenham Road, BD2, this delightful three-bedroom detached family home presents an excellent opportunity for those seeking a spacious and versatile living space. The property has been thoughtfully extended and offers ample scope for further enhancement, subject to planning permission.

Upon entering, you are greeted by a welcoming entrance hall that leads to a generous through lounge diner, perfect for family gatherings and entertaining guests. The rear of the home features a well-appointed kitchen extension, complete with a range of wall and base units, as well as space and plumbing for essential appliances. A snug area provides working from home space, while a convenient downstairs shower room adds to the practicality of the layout.

The first floor comprises two comfortable double bedrooms, a generous single bedroom, and a family

bathroom. Notably, there is potential for a side extension, as the previous owners had obtained planning permission, which has since lapsed.

Externally, the property boasts a well-maintained garden laid to lawn at the front, complemented by a driveway leading to a garage with an up-and-over door. The rear garden is designed for low maintenance, fully enclosed for privacy, and offers pleasant views over the adjacent fields.

This home is well presented, featuring double glazing and gas central heating throughout, although it does require a schedule of modernisation works. Its desirable location provides excellent transport links, proximity to local amenities, and access to well-regarded schools, making it an ideal choice for growing families. This property is a stunning prospect that promises to be a wonderful family home for years to come.
