## Property Description

Quilliam are excited to market this spacious two-bedroom maisonette apartment, which offers a rare blend of riverside tranquillity, architectural heritage, and modern convenience.

The property benefits from two well-proportioned bedrooms, a bright reception room opening onto a private balcony, and a separate fitted kitchen – perfect for those who value both comfort and functionality. An allocated parking space is included, providing additional ease for residents.

The annual service charge of £6,056 offers great value, covering heating and hot water, as well as the meticulous maintenance of the estate's landscaped grounds and communal areas.

Designed in the 1970s by renowned architect Sir Roger Walters, Brentford Dock was built on the site of Isambard Kingdom Brunel's 19th-century docklands, a piece of local history that gives the development its unique charm and strong community character. The estate is beautifully positioned between the River Thames and the Grand Union Canal, offering residents a peaceful waterfront setting with scenic walking routes and a private marina.

Ideally located, Brentford High Street is only a short stroll away, providing easy access to an array of shops, cafés, and restaurants, while Brentford Station and major road links (A4/M4) ensure fast connections into central London and beyond.

This well-presented apartment represents an ideal home for professionals, downsizers, or anyone seeking a secure, well-managed riverside residence in one of West London's most distinctive and historic developments.
