A spacious light and airy one bedroom purpose built apartment with private parking space well located in this sought after waterside development.

Whilst the property needs some updating, it benefits from ample storage and offers the new owner an opportunity to make it into a really special home or perhaps a rental investment.

Brentford Dock is a much sought after development with beautiful, mature communal gardens with both River Thames and River Brent frontage. There is a boat marina with leisure moorings available to rent, residents' picnic area, club room, an on site management office, convenience store and 24 hour security. There is also private access to Syon Park with a pass charged for separately.

The property is being sold with a share of the freehold interest with a 952 year lease remaining.

The service charge includes hot water and heating which is a very attractive benefit especially in these uncertain times.

The Dock is conveniently situated close to Brentford High Street which is currently undergoing redevelopment on the South Side to provide an exciting new town centre which will include a new supermarket, bars and restaurants, a boutique cinema and lots more with pedestrian lanes leading down to the water's edge.

Brentford mainline station is within walking distance with trains to Waterloo, local bus routes and easy access to the A4/M4.

The property is vacant with no onward chain
