The current owners over the years have fully refurbished the house making a fabulous family home with extremely flexible and beautiful accommodation.

The accommodation comprises a large, welcoming reception hall with stairs to the first floor accommodation, solid oak flooring and a cloakroom w.c. just off. Just off is a handy utility room and pantry accommodating the usual white goods plus a wall-mounted, gas-fired central heating boiler. Upstairs off the landing, is a staircase leads to the second floor, a fitted storage cupboard and three good-sized bedrooms and a luxury four-piece bathroom. The loft room on the second floor has limited head height, but has in the past made a fantastic child's playground.

Outside, there are two gravelled driveways providing ample parking and gated access leads to the rear garden. The gravelled front drive has a log store with additional storage and covered parking for several bicycles/cargo bikes/bike trailers. There is a second log store with additional storage in the rear garden, as well as the garden shed/workshop with lean to. The rear garden is laid mainly to lawn with flower and shrub borders and beds, a block-paved patio, a selection of specimen trees and mature hedging, a vegetable garden, a timber shed with a lean-to bike store, a wood store and all is enclosed by a combination of walling and fencing, enjoying excellent levels of privacy and seclusion.

Early viewing of this beautiful home is strongly advised.
