The property extends to approximately 1,300 sq ft and is arranged entirely over one level. Although the accommodation would now benefit from a programme of updating, the generous room sizes, flexible layout and attractive garden setting provide considerable potential.

At the heart of the house is an impressive 24'8" living room, a particularly spacious and light-filled reception room with windows overlooking the garden and a feature fireplace. The adjoining 22'9" kitchen/breakfast room provides ample space for everyday dining, with the potential to create a more contemporary kitchen and entertaining space.

There are four bedrooms, allowing flexibility for family living, guests or home working. Bedroom four opens directly into the conservatory, a bright additional reception space with extensive glazing and views over the garden. The accommodation is completed by a family bathroom and separate ensuite shower room servicing bedroom one.

Outside, the property is approached across a generous, gravelled frontage, providing extensive parking and giving the bungalow a pleasing sense of separation from its surroundings. A detached garage offers further parking or useful storage.

Duxford is a highly regarded South Cambridgeshire village with an attractive historic centre and a strong range of local amenities. The property is particularly well positioned within the village, with Duxford Church of England Community Primary School just a short walk away.
