The property occupies a pleasant cul-de-sac position just a short walk from the thriving village centre, schooling and medical facilities. The property offers a potential purchaser great scope for expansion (STPC), reconfiguration and modernisation and as a number of houses in the street enlarged, planning consents should be reasonably straight forward. The kitchen is fitted with a range of base level and wall mounted storage cupboards, fitted working surfaces with inset single sink unit with mixer tap and drainer, space for a fridge/freezer, washing machine and a gas cooker point. The ground floor shower room comprises a low level WC, vanity wash hand basin and a generous walk-in shower. The dining room opens to the sitting room which in turn has access to the garden.

Upstairs there are three bedrooms, one large bedroom with fitted wardrobe cupboard and two single bedrooms.

Outside there is a parking area close by with no parking restrictions. The rear garden is laid mainly to lawn with a generous paved patio with retractable awning over, timber shed and gated rear access. The single garage nearby has an up and over door. The rear garden is west facing so gets the afternoon sun
