It overlooks a wonderful green space with walking trails, wooded areas and lakes, perfect for those that enjoy the great outdoors. The property boasts an excellent EPC rating, meaning that the house is environmentally friendly and economical to run. There is the balance of the builder's comprehensive warranty in addition to the eight years remaining on the NHBC builders guarantee.

The accommodation comprises a generous and welcoming reception hall with stairs to first floor accommodation, Karndean flooring, under-stairs cupboard and a cloakroom/WC just off. The dual aspect bay-windowed sitting room enjoys views over the neighbouring green space and the wrap-around front garden to the side. The large kitchen/dining/family room has French doors opening onto the garden and is fitted with a range of attractive contemporary cabinetry, ample quartz working surfaces with inset one and a half sink unit with mixer tap and bevel drainer plus a matching central island/breakfast bar, again with a quartz top. There are a range high-end integral appliances and these include: an induction hob, double oven, extractor, fridge/freezer and dishwasher. Furthermore there is a laundry cupboard with space for a washing machine and a tumble drier.

Upstairs, there are three good sized double bedrooms, all with en-suite bathrooms plus bedrooms one and two have fitted wardrobe cupboards. An airing cupboard provides additional storage space and includes the pressurized hot water cylinder capable of providing plenty of hot water.

Outside, the front and side gardens are laid to lawn with a shrub border, block paved driveway provides off street parking for three cars and leads to a generous detached one car garage with up and over door, power and light connected. Gated access leads to the rear garden which is laid mainly to a neat lawn with two generous paved patio areas and all is enclosed by a garden wall to give a good feeling of privacy.
