Having been originally constructed in 1971, this home has had many extensions carried out to provide generous accommodation over two floors. Having had a rear extension prior to the current owner's occupancy, the property later had a first-floor extension carried out in 1990 to provide a large master bedroom suite with the previous bedroom becoming part of the ensuite. The property has had two further extensions, which include a utility between the garage and kitchen in 1988, and most recently a kitchen extension, which was carried out in 2004. Most of the windows within the property were replaced with triple glazed units in 2019.

To the ground floor, the property comprises an entrance hall with space for coats and shoes, three reception rooms, which include a study, a living room with original parquet flooring and double aspect windows as well as a formal dining room with terrific views over the landscaped garden to the rear. Off the entrance hall is an extended kitchen/breakfast room filled with copious amounts of natural light, thanks to a large picture window overlooking the rear garden and a Velux window above. Adjoining the kitchen is a utility room, which is predominantly used as the main entrance and provides access to the rear garden, driveway and the integral garage. Completing the ground floor is a WC located beneath the stairs.

To the first floor is a splendid landing area with a turning staircase, an oak and glass balustrade, and a large window overlooking the side aspect. Accessible off the landing are four generous bedrooms which include a double aspect master bedroom with fitted wardrobes to the side and an ensuite bathroom. The ensuite bathroom is fully tiled and comprises a corner bath, a single enclosed shower, a pedestal sink basin, and a low-level WC. Serving bedrooms two, three and four is a recently replaced shower room, fully tiled with a walk-in shower, a low-level WC and a wall mounted sink with vanity unit below.

Externally, to the front of the property is a block-paved driveway leading up to the garage and a lawn area to the front leading up to the front door.

The property has a beautifully landscaped rear garden with a walled and timber fenced perimeter and well stocked herbaceous borders. The rear garden has three patio areas, with one accessible off the rear of the property, ideal for alfresco dining in the warmer months of the year and two other patio areas located to the rear and side of the garden. The remainder of the garden is predominantly laid to lawn.
