To the ground floor, this contemporary detached home comprises a large entrance hallway with atrium window drawing in an abundance of natural light. Benefitting from three reception spaces, these reception rooms include a substantial 21ft living room with two sets of double doors opening onto the garden, a study, ideal for working from home and a playroom which also occupies the utility room. The hub of the house is the spacious kitchen/sitting/dining room with vaulted ceiling and bi-folding doors opening onto the rear garden. The kitchen has shaker style cabinetry at both eye level and base level, a substantial kitchen island with circular breakfast bar area and integrated appliances which includes two ovens, a hob and a dishwasher. Completing the ground floor is a WC accessible off the hallway.

To the first floor, the property benefits from four bedrooms and includes an enviable master bedroom suite with a walk in dressing room and an en-suite shower room. Built in wardrobes are in bedrooms two and three and bespoke cabinetry has been built into bedroom four to provide a further study. A family bathroom with a walk-in shower and a panelled bath completes the remainder of the first floor.

Externally, to the front is a large, hard standing driveway with space for numerous vehicles. The rear garden of the property wraps around the property, has raised borders and is laid predominantly to lawn. To the far corner is a large patio area with plenty of space for seating and an outside kitchen area.
