Having originally been constructed in 1968, this bungalow has later been extended to the rear with the construction of a part brick, part UPVC conservatory which opens onto the rear garden.

Upon entering through the front porch, the property then has a inner entrance hall with space for coats and shoes and a bathroom adjoining. The bathroom is fully tiled and benefits from a panelled bath with shower above, a low-level WC and a wall mounted sink with vanity unit below.

The property has been re-configured by the current owners to make space for three bedrooms. The master bedroom is a sizeable double bedroom with views over the rear garden, and two further bedrooms.

The property has two reception spaces which includes a lounge and a conservatory which doubles up currently as a dining room and opens onto the rear garden. Directly off the lounge is the kitchen with cabinetry at both eye level and base level, large levels of worktop space and offers space for all major white goods. There is a utility area within the entrance hallway, consisting of a washing machine and tumble dryer housed in a cupboard.

Externally, the property has a fully enclosed south-east facing rear garden. The garden is laid predominantly to lawn and benefits from a timber built shed to the far corner. To the front is a gravelled garden with concrete path leading through the middle, a real suntrap of the evening with the current owners having a seating area.

The property benefits from resident parking to the front, as well as a brick-built garage on block directly opposite. To the side and rear of the garage is a strip of land which offers several miscellaneous uses and is currently being used as an outside gym.
