The ground floor accommodation comprises an entrance hall with a staircase leading to the first-floor level and a WC. There is a modern, well-equipped kitchen providing a range of storage units and drawers, working surfaces, an integrated oven with an extractor hood above and space and plumbing for white goods. A light and spacious living/dining room and an integral garage complete the ground floor accommodation.

Upstairs, the first-floor landing leads to an airing cupboard, a bathroom suite and three bedrooms.

Outside, the house is set behind a narrow front garden with a dwarf brick wall. Access to the garage is via Elm Street. The garage provides power and lighting.

This central city home requires sympathetic modernisation and is being sold with no onward chain.
