This spacious family home has been extended to offer versatile accommodation ideally suited to a family. It has been very well maintained over the years, with works including a new roof, guttering and insulation being added in 2023, but the property would now benefit from some modernisation. The property is very well-located for access to Cambridge North railway station, the Science Park and city centre.

On the ground floor, the spacious entrance hall has a tiled floor and opens into a utility room, which, in turn, leads to a shower room with a three-piece suite. There is a spacious living/family room with a bay window to the front aspect and double doors to the rear, which open into the kitchen. With a range of fitted wooden base and wall units, the kitchen has tiled worktops and splashbacks, an electric double oven, a gas hob, a freestanding fridge/freezer and a window overlooking the rear garden. The fridge, dishwasher and washing machine are included in the sale. Off the kitchen is the dining room, which has a roof light and doors opening into a family room/fourth bedroom, which has patio doors to the rear garden.

On the first floor, the landing has a window to the side aspect and a hatch to the loft space. There are three bedrooms, two of which are double in size. The family bathroom has a panelled bath with a mains shower over, a pedestal wash basin and a WC.

Outside, the property is set back from the road behind a boundary wall and a driveway for two vehicles. The very pleasant rear garden is generous in size, mature and predominantly laid to lawn. There are two patio areas, a number of trees and shrubs, and a timber shed.
