This double-fronted house is set behind a pretty front garden planted with lavender and enclosed by attractive wrought-iron railings.

The accommodation is immaculately presented to exacting standards, and recent upgrades include a redesigned utility room and impressive ensuite shower room to the principal bedroom suite. The interior design has a classic finish and benefits from a high degree of natural light and attractive period features.

A broad and elegant reception hall leads to an inner hall with access to a cloakroom/WC and a refitted utility room providing plumbing for appliances and additional storage space. An impressive double length sitting room has an attractive period fireplace with bespoke recess cabinetry and book shelving to either side. This dual aspect room provides access to the rear garden through feature, handmade Georgian-style French doors. A generous and beautifully appointed kitchen/dining room provides a full range of bespoke cabinetry and drawers, extensive marble working surfaces and a full range of integrated appliances. There are multi-paned French doors opening to a private outside seating area, a single multi-paned door opening to the side garden and a natural stone floor.

Upstairs, a spacious landing area leads to an immaculate family bathroom suite and three spacious double bedrooms, all providing built-in storage and hanging space. The principal bedroom suite is an impressive room, which provides extensive bespoke storage solutions and a recently redesigned ensuite shower room.
