This spacious semi-detached house on Wulfstan Way was built in 1951 to a non-standard construction (Unity build) and was overhauled in 1991 to PRC standards. The property was later extended and remodelled (2002 and 2004) to increase ground floor living accommodation and flexibility.

The property has been well cared for by the current owner and offers immaculately presented accommodation extending to 1211 sqft over two floors.

The accommodation comprises a spacious open entrance hall with a staircase rising to the first-floor level. A comfortable living room with a large feature window overlooking the front aspect, connects to a full-width open plan kitchen/dining room. This light and impressive space offers a well-equipped kitchen with ample storage solutions and space for freestanding appliances. Sliding doors open to a conservatory/garden room and there is access to a rear lobby, which leads to a shower room and bedroom 4/study. There is access to the rear garden from this room.

Upstairs, the first-floor landing area leads to a refitted bathroom and three bedrooms, all providing built-in storage.

Outside, the well-designed and established rear garden has a favourable west-facing aspect, paved terrace area, deep borders of various mature trees and shrubs, garden pond and a useful timber storage shed. There is a hard standing paved driveway to the front providing parking for two vehicles.

Location

Wulfstan Way is situated off Queen Edith's Way, which forms part of a convenient and popular residential area about 3 miles south east of Cambridge City centre, and is close to an excellent range of shops and other facilities on Wulfstan Way and Cherry Hinton Road. Cherry Hinton, a sought-after suburb, is a short distance away. It is incredibly well served with an excellent range of shops, pubs, restaurants and takeaways plus leisure and health facilities. There is also a major Tesco supermarket off Yarrow Road.

Primary schooling is available at Queen Edith's with secondary schooling at Netherhall, independent schools for all age groups and Hills Road and Long Road Sixth Form Colleges are all within easy reach. It is also well placed for Addenbrooke's Hospital, Arm Ltd, Cambridge railway station and Cherry Hinton Hall, a delightful green park with children's play facilities.
