This superb townhouse was constructed in 2016 and forms part of a square of similar properties, which overlook an attractive, landscaped green space. The property has been thoughtfully designed and offers versatile, light-filled accommodation with high ceilings and a wealth of storage. It is enviably located in an exclusive and deceptively quiet development off Milton Road, within easy reach of a variety of amenities, the city centre and outstanding local schools.

The entrance hall has stairs to the first floor, access to a cloakroom with WC, and a number of storage cupboards, one of which includes a fitted washing machine and a dryer. To the rear is the kitchen/dining room, which has a glazed door and large windows providing views and access to the rear garden. The well-appointed kitchen has a range of base and wall-mounted units with Quartz worktops, a range of integrated appliances including double oven, a five-ring gas hob with an extractor hood over, fridge/freezer, dishwasher, inset sink with a mixer tap and pantry cupboards.

On the first floor, the landing has two storage cupboards and leads to the superb living room, which has a dual aspect and access to a balcony, offering pleasant views over the rear garden. There is a double bedroom, which shares access to the balcony, and a stylish family bathroom including a panelled bath, a double shower cubicle, a wash basin and a WC with a concealed cistern.

On the second (top) floor, there are three further double bedrooms, with the master bedroom benefitting from a Juliet balcony, built-in wardrobes and an ensuite shower room with a double shower, twin wash basins and a WC.

Outside, there is a block paved driveway providing off-road parking for one vehicle, which leads to the full-length garage with power and lighting. To the rear of the garage, there is a fitted storage area, which would be suitable for cycles or other equipment. The delightful rear garden is low-maintenance and ideally suited to al fresco dining. It is fully paved, with side borders and fixed lighting.
