This superb 1930's residence occupies a large plot on Church End, located a short distance to the east of the city centre and within easy reach of Addenbrooke's Hospital, Cherry Hinton High Street and excellent local schooling. The property has been subject to a significant extension and improvement works in recent years, with the end result being a tremendous, characterful home of very generous proportions, which has been sympathetically adapted for family living.

Set well back from the road, the property is approached via a paved and gravel driveway with well-stocked side borders and a number of trees. An entrance porch opens into the entrance hallway, which has stairs to the first floor and access to all of the reception rooms. Also off the hall is the utility room, which has access to a WC and the integral garage, which has both an electric up-and-over door and a pedestrian door, and house the boiler. The reception rooms include a bay-fronted living room/fourth bedroom to the front, a snug/family room, and a sitting room with bi-folding doors to the rear garden. The superb, sizeable kitchen/dining/family room has a tiled floor and benefits from two ceiling lanterns and bi-folding doors to the rear. Installed in 2022, the stylish, Shaker-style kitchen has a wide range of fitted units with wooden worksurfaces and integrated appliances including a double oven, a five-zone induction hob with an integrated extractor hood over, a microwave, a dishwasher and a fridge/freezer.

On the first floor, there is a spacious landing with a window overlooking the rear garden. There are three bedrooms, all of which are double in size, with the master bedroom being particularly large, including fitted wardrobes and an ensuite shower room with a three-piece suite. The family bathroom was originally two rooms and includes a P-shaped bath with a mains shower over, a pedestal wash basin, a WC and a heated towel rail.

At the front of the property, the driveway provides plentiful off-road parking and access to the garage. Gated side access leads to the delightful rear garden, which is predominantly laid to lawn and fully enclosed. There is a decked, decked area with a wood-burning stove, a patio area, well-stocked raised beds and two large storage sheds.
