The entrance hall has wood-effect flooring, which continues throughout most of the property. There are stairs to the first floor with a storage cupboard underneath, and access to a cloakroom with a WC. Benefitting from a dual aspect, the open plan living space has a living area to the front and a kitchen/dining area with patio doors to the garden at the rear. The kitchen is fitted with a range of base and wall units with granite-effect worktops, tiled splashbacks, a breakfast bar, a sink with a pull out mixer tap, an integrated dishwasher, a washing machine, a tumble dryer, and a fridge/freezer, an oven and a gas hob with an extractor hood over. All of these appliances are included within the sale.

On the first floor, there are two double bedrooms, one of which has fitted wardrobes. The freestanding wardrobe in the second bedroom will be included in the sale if desired. The generous family bathroom is fitted with a four-piece suite including a panelled bath, a separate corner shower cubicle, a pedestal wash basin, a WC and a heated towel rail.

On the second (top) floor, there are two further bedrooms, including the master bedroom, which benefits from fitted wardrobes and a three-piece ensuite shower room.

Outside, the property is set back from the road behind a driveway providing parking spaces for two vehicles. Gated side access leads to the rear garden, which has a favourable southwesterly aspect. It is fully paved and enclosed by fencing, with shrub borders and two timber sheds.

Location

Wellbrook Way is an established development located to the south of Girton. The village is a highly favoured residential area to live, lying just two miles north-west of the city, with a fast approach via Huntingdon Road. Usual facilities are available and there is an excellent village school, the Girton Glebe, within walking distance of the property. Impington Village College is also easily accessible and transport links are excellent with the A14 and M11 being close by.
