An internal entrance porch opens into the hallway, which has corbels, stairs to the first floor and access to the basement/cellar. Benefiting from a dual aspect, the living/dining room has an attractive gas fireplace, fitted storage, stripped wooden floorboards and herringbone brick flooring. Beyond the kitchen, there is a tiled, three-piece wet room and a utility area, which links to an impressive family room. This room has a vaulted ceiling with roof lights, several glazed doors opening onto the garden, and access to a further room, which could be used as a study or double bedroom.

On the first floor, the spacious landing has a hatch providing access to the attic. The family shower room has a three-piece suite including a double shower cubicle, wash basin and a WC. There are three comfortable double bedrooms, two of which include feature fireplaces and fitted wardrobes. A further room could be used as a nursery or study.

Outside, the delightful, landscaped rear garden has been thoughtfully designed to provide a space ideally suited to entertaining and relaxing. It is fully enclosed and features a variety of trees, plants, and well-stocked borders, along with a rill water feature, timber shed and double gates to the side, which provide vehicular access.

Beyond the rear garden, there is a piece of land, which fronts Victoria Road. It is held under a separate title but is included in the sale.
