6b Coniston Road is a very well-appointed, bright and airy first floor maisonette, which forms part of a charming dwelling believed to have been built in the 1930s. It occupies a very quiet location on a sought-after cul-de-sac to the south of the city centre and is one of two maisonettes in the building, which equally share the freehold title.

A ground floor entrance lobby has stairs to the first floor landing area, which is well-lit by a window to the front aspect and has a hatch providing loft access. The living/dining room has picture rails and a large bay window to the front aspect. Situated at the rear, the kitchen/breakfast room overlooks the garden and is fitted with a range of base and wall units, granite-effect worktops with tiled splashbacks, an integrated oven and ceramic hob, a wall-mounted combination boiler, space for a fridge/freezer and plumbing for a washing machine or a washer dryer. There are two bedrooms, with the master bedroom being a particularly generous double in size. Partly tiled, the bathroom has a panelled bath with mains shower over, pedestal wash basin, WC, radiator and an electric heated towel rail.

Outside, the property is set back from the road behind a hedgerow and gravel driveway, with a parking space for 6b situated beside the front door. A side gate leads to a shared bin/bike store, with a gravelled pathway beyond leading to the rear garden. Benefitting from a high degree of privacy, the delightful garden is fully enclosed and mainly laid to lawn. It features a variety of trees including several mature damsons, well-stocked beds and a timber shed.

The property is being sold with the benefit of no onward chain.
