This superbly presented apartment has been subject to comprehensive refurbishment, which includes, but is not limited to, upgrading the kitchen and shower room, installing quality flooring, replumbing the property and rewiring to the kitchen and bathroom. Overall, it offers spacious, bright and well-arranged accommodation, which is ideally suited to first-time buyers or investors. The property forms part of an established, purpose-built development built in the 1960s and is set in mature grounds close to the River Cam, the city centre, Science Park and Cambridge North railway station.

Occupying the top floor, the apartment is accessed via a secure, communal entrance hallway. The apartment's own entrance hall includes a built-in cupboard and opens into the impressive, open-plan living space and kitchen area, which has a dual aspect with wall-to-wall windows either side. The kitchen has a range of white fitted units with ample work surface space, integrated appliances including an electric oven with an induction hob and an extractor hood over, a dishwasher, space for a washing machine, fridge/freezer and a wall-mounted combination boiler.

An inner hallway provides access to the bedrooms, both of which are double in size, and the shower room. Stylishly refitted, this includes a walk-in shower cubicle, a wall-hung wash basin with a drawer, a WC and a heated towel rail.

Outside, there are well-kept and mature communal grounds and residents parking, which is available on a first-come, first-served basis. The property also has an allocated, secure basement storage area.

Location

Cambanks is an established scheme situated off Union Lane, which forms part of a much-admired residential area approached from Chesterton High Street, lying just north of the city centre.

It is well-placed for access to the city, one mile from the city centre, the Cambridge Science Park, the A14 / M11, and Cambridge North mainline railway station. There are a range of good shopping facilities nearby as well as a good bus service into the city centre.

Tenure

The property is leasehold with share of freehold.

The lease is held on a term of 999 years from 1963. 936 years remaining.

There is a service charge of £4,000 payable per annum. We are advised £2,000 of this sum is currently being raised to pay for new roofs for all blocks. The remainder covers maintenance of the communal areas and includes the water bill.

The service charge is reviewed annually and adjusted according to costs.

We are advised there is no ground rent payable.

Services

Main services connected include: water, electricity, gas and mains drainage.
