Offers In The Region Of £689,450

A truly sensational detached barn conversion, offering spectacular accommodation with beautiful features, plus approximately 10 acres of adjoining grazing land. This remarkable property is situated just outside the small country village of Llanfallteg, being located at the far end of a shared access track and forms part of a small farm development with only three neighbouring properties. Internally the property offers wonderful accommodation which is arranged over two floors and provides 4 bedrooms and 2 reception rooms in total with a master en-suite. There is also the possibility of slightly reconfiguring the layout to have a separate upstairs flat with independent side access, which might suit an extra family member wanting their own space, subject to approval, or could be utilised for B&B (the current owners have previously done this).
