

Waunsegur Uchaf , Cardigan, SA43 3BJ

£880,000

The property is situated between the small, rural villages of St Dogmaels (2 miles) and Moylegrove (3 miles) in North Pembrokeshire, Wales just outside the Pembrokeshire National Park Boundary (1/3 mile). These villages lie in a sheltered valleys surrounded by open countryside and unspoilt landscapes. St Dogmaels benefits from a shop, post office, primary school, and weekly farmers market held by the historic abbey ruins. The historic market town of Cardigan is just 3 miles away providing a wider range of amenities including shops, schools healthcare services and transport links.

Waunsegur Uchaf offers an exceptional countryside lifestyle within easy reach of the Pembrokeshire coast. Surrounded by open countryside and located close to Ceiwr Bay & Poppit Sands and the Pembrokeshire Coast Path, the property enjoys a high degree of privacy, outstanding natural beauty, and convenient access to Cardigan and a range of local amenities.

The Main House briefly comprises an Entrance Hall, Kitchen/Breakfast Room, Living/Dining Room, Utility Room, Office/Study, Shower Room, separate WC, and a Ground Floor Bedroom. To the first floor, the Master Suite benefits from an En-Suite Shower Room and a private Balcony enjoying pleasant views.

Bwthyn y Ddôl is arranged in a holiday-let style layout Kitchen/Breakfast Room, Living Dining Room, three Bedrooms, a Shower Room, and a Bathroom, making it ideal for guest accommodation or income generation. In addition, the property includes a Studio, providing an open-plan living space, kitchenette with a Shower Room and well suited for guests, home working, or further rental potential.

Externally, the property is set within well-maintained grounds featuring a lawned garden, decorative gravel pathways, paved and gravelled seating areas, and additional parking to the rear. The gardens are predominantly laid to lawn and are enhanced by a variety of mature trees, bushes, and shrubs, creating an attractive private setting.

St Dogmaels and Moylegrove are highly sought-after coastal villages on the north Pembrokeshire/Ceredigion border, enjoying a spectacular setting at the mouth of the River Teifi. The area is renowned for its unspoilt natural beauty, dramatic coastline and peaceful rural atmosphere, while still offering good local amenities and community life.

St Dogmaels provides a village shop, post office, primary school, pubs, café, historic abbey ruins and easy access to the Pembrokeshire Coast Path. Moylegrove, set above the wooded Teifi estuary, is particularly prized for its elevated views, quiet lanes and proximity to secluded beaches such as Ceibwr Bay.

The nearby market town of Cardigan offers a wider range of shops, supermarkets, schooling, leisure facilities and healthcare. The area is popular with walkers, kayakers, swimmers and nature lovers, and is equally attractive as a permanent residence, second home or holiday investment. Road links connect to Cardigan, Newport and the wider West Wales region.

Rare opportunity to buy beautiful, recently refurbished Pembrokeshire cottage offering efficient, sustainable living. This property comes with a fully owned, high capacity, solar PV and battery storage system with 2 EV chargers. Peace of mind from greatly reduced dependency on the grid, electricity costs and lower carbon footprint. Situated in the peaceful, unspoilt North Pembrokeshire countryside near Cardigan Bay and Poppit Sands, with glorious views. Close to the rural villages and thriving communities of St Dogmaels and Moylegrove as well as Pembrokeshire Coast National Park. Also includes a three bedroom cottage, large garden and detached garden studio ideal for guests or rental income. Versatile layout for multi generational living or income stream. Large detached double garage incorporating a store room. Rare opportunity to purchase a stunning refurbished Pembrokeshire cottage, retaining lots of character whilst benefitting from under floor heating and fully-owned, high capacity, solar PV and battery storage systems. There are great benefits to be had from the lower rate electricity tariffs giving considerable electricity savings, especially when coupled with running an EV off the EV chargers.
