The House

The property enjoys a bright and practical layout, featuring a comfortable sitting room leading through to a spacious kitchen/dining area, and a conservatory that enhances the living accommodation while enjoying pleasant views over the garden. Upstairs, you'll find two well-proportioned double bedrooms and a versatile single bedroom, perfect for use as a nursery, home office, or guest room.

Outside, the home benefits from both front and rear gardens — the front overlooking a communal green, while the rear provides a private paved area, ideal for outdoor dining or quiet relaxation. There is also the advantage of two private parking spaces to the rear for added convenience.

Ground Floor

You're welcomed into a generous entrance hall - the perfect spot to greet guests, with practical space for neatly storing coats, shoes, and everyday essentials.

The living room is a comfortable and well-proportioned space, featuring a large window that fills the room with natural light and provides views across the private front garden and the communal green beyond. There's also a useful under-stairs storage cupboard, and the room is centred around a traditional fireplace housing a back boiler.

To the rear lies a spacious kitchen/dining area, fitted with a comprehensive range of wall and base units complemented by ample work surfaces. This well-planned space provides everything needed for day-to-day cooking and family dining. Sliding double doors open into the conservatory – a bright and versatile room that seamlessly connects to the rear garden and can be enjoyed all year round.

First Floor

The first floor is approached via a landing, which includes loft access and doors leading to the bedrooms and family bathroom. Both the main bedroom and single bedroom provide fitted wardrobes and are positioned at the front of the property enjoying views of the communal green. To the rear, the second bedroom is also a generously sized double looking over the paved garden. The family bathroom comprises a bath with shower over, basin and toilet.

Outside

To the front of the property, a pathway is bordered by a small garden area providing a welcoming approach and scope for planting or decorative pots. To the rear, the low-maintenance garden is paved and enclosed by fencing, creating a private and practical outdoor space ideal for relaxing, dining, or enjoying a morning coffee in the sunshine. There is also a gate providing rear access, along with an additional large gated fence offering easy access to the garden when needed. Private parking for two vehicles is located close by for added convenience.
