The utility room is ideally suited to modern living, with a worktop incorporating a sink and drainer, and space for laundry appliances, helping to keep the main living areas clutter-free. The garage can be accessed internally and offers excellent flexibility, providing generous storage space alongside a large additional store room.

The First Floor

Rising to the first floor, the sense of space and light is immediately apparent. A bright landing and hallway, enhanced by Velux skylight windows, creates an airy atmosphere and leads through to the main living accommodation.

The open-plan living room and kitchen/diner form the heart of the home, offering a superb space for both everyday living and entertaining. Attractive laminate wood flooring runs throughout, while doors open onto a south-facing balcony, allowing natural light to flood the room and providing an ideal spot to enjoy morning coffee or unwind in the sun.

The kitchen has been thoughtfully arranged with sleek white cabinetry and a breakfast bar, creating a sociable focal point for casual dining. The living and dining areas are generously proportioned, comfortably accommodating both lounge and dining furniture, making it a versatile and inviting space for relaxing or hosting guests.

Continuing along the hallway, a large airing cupboard provides discreet storage and houses the immersion heater, keeping day-to-day essentials neatly tucked away.

Both bedrooms are well proportioned and benefit from a bright, south-facing aspect, creating light and comfortable spaces ideal for rest and relaxation. The principal bedroom is enhanced by a built-in wardrobe with mirrored sliding doors, maximising both storage and natural light, while the second bedroom offers access to the loft, providing valuable additional storage and flexibility for modern living.

Completing the accommodation is the family bathroom, positioned at the end of the hallway. Finished with a contemporary suite, it features a bath with glass shower screen and overhead shower, along with a sleek integrated vanity unit incorporating the wash basin and concealed cistern, delivering a clean and stylish space for everyday use.
