### The Property.

A fine family home, meticulously presented by the current owners, who have enhanced and modernised the property to an exceptional standard throughout. This house is particularly spacious, offering highly flexible accommodation, and is currently arranged to include an annexe area, making it ideal for intergenerational living if desired. Highlights include a generous L-shaped living room, beautifully refitted kitchen and bathrooms, and large double bedrooms. Outside, the good-sized and private rear garden is a notable feature, while to the front a large driveway provides off-road parking for numerous vehicles and leads to the tandem-length garage. Manor Road is just moments from Wivelsfield main line station, local shops, and a school.

### Accommodation.

On the ground floor, the beautifully presented accommodation comprises an entrance hallway leading through to the reception hall with its impressive staircase rising to the first floor. There is a light, spacious living room featuring bifold doors that open onto the attractive rear garden. Off the living room is the superb kitchen, refitted in 2025, which offers a comprehensive range of wall and floor units complemented by quality worksurfaces and integrated appliances. A door also provides access to the side and rear garden. A study/office enjoys patio doors to the rear garden, creating an ideal space for working from home, though it could equally serve as a very practical bedroom. The remainder of the ground floor is currently arranged as an annexe area comprising a living room, double bedroom, and shower room.

The first floor provides two large double bedrooms. The main bedroom features fitted furniture, eaves storage, air conditioning, and a modern ensuite, while bedroom two includes a deep wardrobe cupboard, eaves storage, and enjoys views over the playing fields. Both bedrooms are served by a luxurious bathroom suite, refitted in 2026.

### Gardens and Parking.

Outside, a standout feature is the stunning rear garden, beautifully arranged with areas of level lawn and a porcelain-tiled terrace, all enhanced by well-established beds and borders filled with an impressive variety of mature plants, shrubs, and trees. Towards the end of the garden is an additional paved pergola area, creating a charming spot for outdoor dining or relaxation. A gated pathway provides secure access to the front.

To the front is a further area of lawned garden alongside a wide driveway offering generous off-road parking for several vehicles, leading to the attached tandem-length garage. The garage features an automatic roller door, power, and lighting, as well as a sliding double-glazed door opening onto the rear garden.
