Welcome to The Granary

A beautifully converted detached granary in the heart of the Sussex countryside, blending striking period character with contemporary open plan living. Offering approximately 948 sq ft of beautifully presented accommodation, ample parking for two vehicles and exceptional rural surroundings, this is a unique home that would suit those seeking a peaceful country lifestyle whilst remaining within easy reach of Brighton, the South Downs and Hassocks railway station.

The moment you step inside, the property reveals its true character. The impressive open plan ground floor has been thoughtfully designed to create one sociable living space, where exposed oak beams, vaulted structural timbers, solid oak flooring and a feature stone fireplace combine to create an atmosphere that is both warm and full of personality. The proportions work beautifully, allowing clearly defined areas for relaxing, dining and entertaining whilst maintaining an effortless flow throughout.

The bespoke shaker-style kitchen sits at the heart of the home, complete with a central peninsula, butler sink and generous preparation space, making it equally suited to everyday living or entertaining friends and family. Beyond, the dining area enjoys direct access onto the garden, while the contemporary spiral staircase creates an architectural focal point without interrupting the openness of the space.

Upstairs, the character continues with magnificent vaulted ceilings, exposed timbers and a wealth of original detailing. The principal bedroom is particularly impressive, enjoying excellent proportions together with a beautifully appointed en suite shower room. A second double bedroom is served by a luxurious family bathroom, complete with both a bath and separate walk-in shower.

Glorious Plot

Outside, the setting is every bit as special as the home itself, offering an exceptional sense of space and privacy, with open countryside stretching in every direction. Whether you're enjoying morning coffee overlooking the surrounding fields, entertaining on a summer evening or simply appreciating the tranquillity that comes with rural living, this is a setting that is increasingly difficult to find. There is parking for three vehicles together with extensive outside space that offers enormous lifestyle appeal. In total, the plot extends to approximately 0.27 acres.

This is a home that lends itself perfectly to a variety of buyers. It would make a wonderful permanent residence for those looking to embrace country living, while equally appealing as a secure lock-up-and-leave for someone wanting a weekend retreat or second home within easy reach of Brighton, Gatwick Airport, A23(M) and London via nearby Hassocks Station. Combining the charm of a period barn conversion with contemporary comforts and an exceptional rural location, The Granary offers a lifestyle that is every bit as impressive as the home itself.
